EDUCATION IN A DEMOCRACY
BOTH WITHIN AND WITHOUT THE

SCHOOL. SHOULD DEVELOP IN EACH
INDIVIDUAL THE KNOWLEDGE.

INTEREST, IDEALS, HABITS, AND
POWERS WHEREBY HE WILL FIND

HIS PLACE AND SHAPE BOTH
HIMSELF AND SOCIETY TOWARD EVER

NOBLER ENDS. DEMOCRACY AND
EDUCATION ARE BOUND TOGETHER IN

A CHAIN OF MUTUAL CAUSES AND
EFFECT.

LIVING IN A DEMOCRATIC
COUNTRY IS ONE OF OUR MOST

TREASURED IDEALS. WE THEREFORE
COMBINE DEMOCRATIC PRACTICES

IN OUR SCHOOLS TO SHOW THAT
DEMOCRACY IS A FUNCTIONAL
IDEA.

The sophomore class this year had many hardships to face. They had to learn the motor vehicle laws as well as organize the Spring Festival. They've worked extremely hard this year and their persistence and determination is beginning to pay off. They are facing a tough, yet enjoyable year as juniors and success should follow them throughout their high school career.

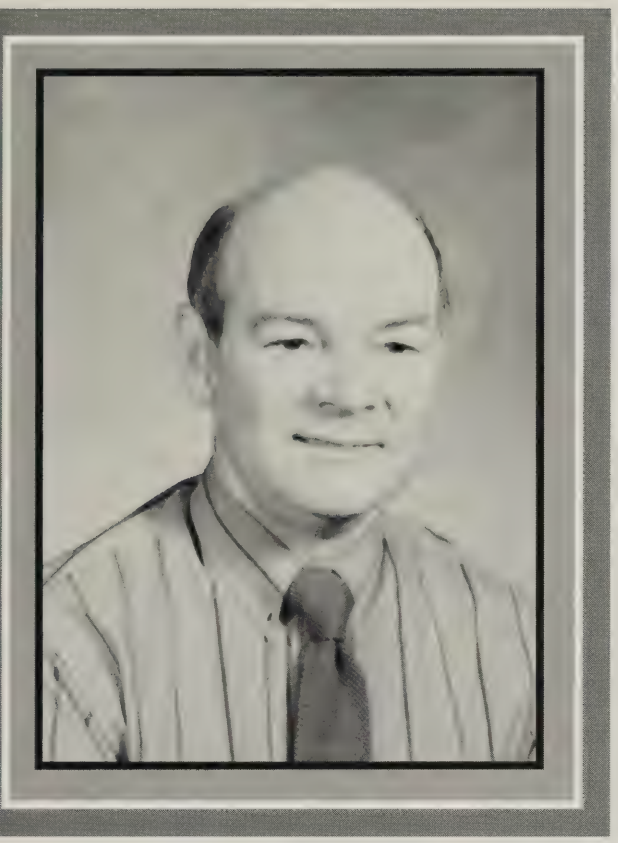
# FACULTY

PRINCIPAL

MR. ROY MEADOWS

Mr. Roy Meadows is a new addition to the Pocahontas High School staff this year. He comes to PHS with many years experience behind him. He entered the school with many new ideas and the enthusiasm to carry them out. Mr. Meadows believes that the students are the most important part of the school. He takes time to listen to students and talk to them. He also listens to new ideas from the faculty.

Mr. Meadow's job, however, is not an easy one. He must serve as principal to both middle and high school. This does not pose a problem for him because he believes the philosophy that all parts of the school must work together in order to be successful. Mr. Meadows works very hard for everyone in the school and proves that together we *can* make a difference!



# MR. CLINE WRIGHT

Mr. Cline Wright is a very valuable asset to Pocahontas High School. He wears many hats this year. Mr. Wright serves as activity director and athletic director, which require most of his time. However, he finds time to be a very valued instructor. All of these tasks work together to benefit the students of PHS, which is Mr. Wright's main concern.

**todays**... and future expectations become realities—graduation, a job, college, a home—you assume new responsibilities.

Just as we do. Because when customers need electric service, we are obligated to provide it.

And we always knew that you and your classmates might one day be our customers. That's why we started planning for today ten years ago, so that we could provide electricity for the lifestyle you choose.

We hope we can supply electricity for all your tomorrows, too.
